We realize that you have many questions and concerns over the order from the Governor's office concerning business closures. Unfortunately, the Governor's order includes roofing contractors. Frontier Contractors has applied to the State for the exception waiver, until we can get the waiver all new roofs have been put on hold. We will continue to do minor roofing repairs as that is permitted under the law.

We remain determined to continue to serve you and the community as best we can while further enhancing customer and employee safety.

Thank you for continuing to trust us with your roofing projects. Our hearts go out to everyone who has been impacted by this global crisis.

Sincerely,

David R. Wisniewski
President
